Volume 40 ♦ Number 4 ♦ December 2020

January 7, 2021
7 p.m.
Online via Zoom
Log on instructions to come via email.

The CAR Guy

Emeka Nriagu is an analyst at the Center for Automotive Research (CAR GROUP), which is an independent non-profit organization tasked to educate and advise stakeholders, policy makers, and the general public on issues —fuel economy technology, manufacturing systems, tooling, materials, powertrain, and product development—facing the automotive industry and the industry's impact on the U.S. economy and society. CAR is based in Ann Arbor, Michigan.

APCUG's online workshop during fall 2020

The same Zoom password will be used for each encrypted URL. You will receive the URL after you have registered by **completing this form**. APCUG's Judy Taylour (judy@apcug.org) is the contact point for this workshop and will be available to assist you in connecting to the Zoom session. The registration list will be used to identify who is in the Waiting Room before being admitted.

Home Automation for Seniors

Moderator: Bill James, APCUG Advisor, Region 8

The two-hour workshops will be how-tos, hands-on demos, and discussion with ample time for Q&A.

December 9, 2020, at 12 p.m. Doing it myself vs having it done
