

## CLOUD TOOLS

Praveen “Sam” Sharma, a local college professor, will present the benefits and details of using several of the popular cloud tools currently available.

He will discuss Dropbox, Box Sync, and Google Drive as well as the various nuances and niches each of these products address.

Bring your questions and concerns about using the cloud to this meeting.

## Help move WPC-Renew

Your help is urgently needed to move WPC-Renew. It is moving to another building on the same campus (at Wartburg in Mount Vernon) and into a larger space--**on the ground floor!** The date is uncertain but likely at the end of September or early October. Please call 914-297-8490 or email [wpcrenew@optonline.net](mailto:wpcrenew@optonline.net) and leave your name and number so that we can advise you of the exact date and time.
