## Manage Your Email

Would you like to manage multiple email addresses on your computer with the same ease as smartphone and tablet users? You have had your ISP-provided email address forever. How do you manage a transition to another email address?

- You already have two or more email addresses. It is cumbersome to switch from one website to another simply to check your email.
- You still get emails on an old address and forwarding it to yourself on the other address is not an acceptable solution.

Pierre Darmon, WPCUG president, will simplify emails at the September 5 General Meeting. Come see how much better and easier accessing your email can be.

For further information,  
email [programs@wpcug.org](mailto:programs@wpcug.org).

## WPC-RENEW NEEDS HELP!

**Westchester PC-Renew needs to move back into its original location  
in the Hauselt Building by the end of August 2019.**

**The current location, the Berkemeier, will be torn down and  
new construction will begin there shortly.**

**Help is needed with the move. If you are available  
and can assist, please contact  
Jimmy Lamake or Gary Feiman at 914-297-8490.**

## GIVE NEEDY KIDS A COMPUTER!

**Children are mandated to leave full-time resident programs  
because of their age and they then lose computer access.  
Laptops that WPC-Renew volunteers are refurbishing for them  
need power supplies and batteries. Every kid should have computer access.**

**GoFundMe contributions can be made [here](#) to support this effort.**
